## Your MIXER PARTS Source

The most effective **Chute Cover** on the market!

**Street Guard Makes the Roadways Safer!**

The **Street Guard** chute cover is stored out of the way when the fold-over chute is in use, and simply folds up and out of the way for chute cleaning.

### Adjustable

**Street Guard** adjusts easily to fit tight over any fold-over chute.

### Low Maintenance

Designed without springs or straps that will wear out and need replacement.

- No more spills at stop lights and inclines
- Eliminates costly road cleanups
- Reduce spillage due to accidental discharge

### Safe & Durable

Polyurethane material provides tough durability, and the safety orange color alerts contractors working nearby and vehicles traveling behind the truck.

*Various colors are available upon request.*

*Designed for Schwing, MTM, MTM Paver, Smith and Kimble*
