NEVER STIK®

RELEASE AGENT

- VOC Compliant
- Non-Toxic
- Non-Hazardous
- Non-Flammable
- Non-Staining
- No Solvent or Diesel

Never Stik is ideal for Ready Mix trucks, Paving Equipment, Spreaders, Finishers, Shotcrete Equipment, Concrete and Asphalt Tools, Dump Trucks, and Wheel Barrows. **Never Stik** is easily applied release agent that employs state of the art technology that will not wash away with water. **Never Stik** leaves a smooth, white, flat, non-oily finish with minimal voids. **Never Stik** has up to 5 times the coverage of other oils, and it keeps water out of woods.

Application

Apply with sprayer on areas where concrete and grease have accumulated. Either after cleaning or first thing in the morning.

Directions

Do not dilute for effective cleaning

Bumper to bumper: 1:1
