REVERSE-A-CRETE® Extra Strength

SUPER CONCENTRATED CONCRETE REMOVER & CLEANER

- Non-Flammable
- Dilutable up to 30:1
- No Solvents
- No VOC's

Reverse-A-Crete Extra Strength is a revolutionary product designed for thick concrete build up. **Reverse-A-Crete Extra Strength** contains a blend of Acids, Detergents, Surfactants, Wetting Agents, Rinsing Agents, Activators & Rust Inhibitors. Reverse-A-Crete Extra Strength is an acid base inhibited detergent that easily removes concrete, cement or mortar from any and all surfaces. **Reverse-A-Crete Extra Strength** now contains extra inhibitors to help prevent corrosion.

Application

Apply with a sprayer, sponge, brush or scrub pad. May be diluted **up to 30:1** with water. Some agitation may be required. Rinse & air dry. Product works best when applied with an truck wash system. Designed for thick build up. *This strong product is for use on the back end portion of Ready Mix Trucks.*

Directions

Dilute with water to concentration desired for effective cleaning

Concrete & Cement Dust 30:1

Heavy Concrete build up 6:1
