SAND BLASTER 2000®

SAFE CONCENTRATED ALTERNATIVE CONCRETE REMOVER

- Non-Flammable
- Biodegradable
- Dilutable up to 10:1
- No Solvents
- No VOC's
- Prevents & Removes Rust

Sand Blaster 2000 is a safe acid-alternative concrete remover derived from sugar cane syrup that is ideal for concrete trucks, tankers, heavy equipment, polished aluminum trailers and wheels. **Sand Blaster 2000** safely cleans and brightens in one step leaving a wax like shine removing cement, lime and concrete while also preventing and removing rust. It is non-corrosive, non-hazardous, and non-D.O.T. regulated with HMIS of 0-0-0.

Application

Apply with a sprayer, sponge, brush or scrub pad. May be dilute up to 10:1 with water. Allow to penetrate minimum of 3-8 minutes. Brush or agitate for greater absorption and more effective results. Sand Blaster 1000 can also be left on overnight and rinsed in the morning.

Directions

Dilute with water to concentration desired for effective cleaning
